

MGS of MGS

- MGS of MGS : make clusters by merging adjacent groups
- Resolution 1 : linking length over two galaxies
- Resolution 2 : linking length over two groups
- Resolution 1 & Resolution 2 = 4.0
- Results : 1. 8191
- Results : 2. 4850

MGS of MGS : 10 largest groups or clusters

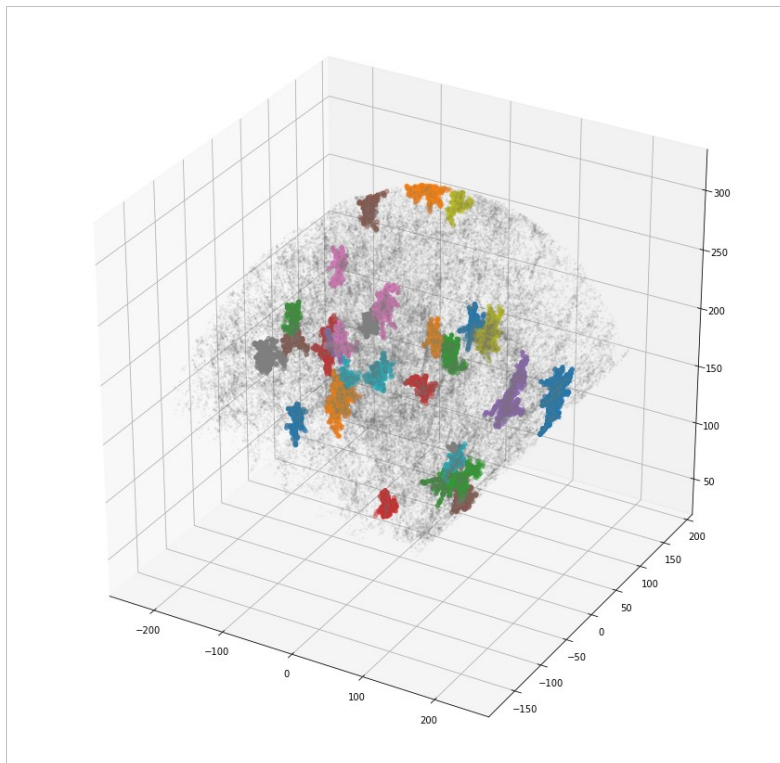

MGS

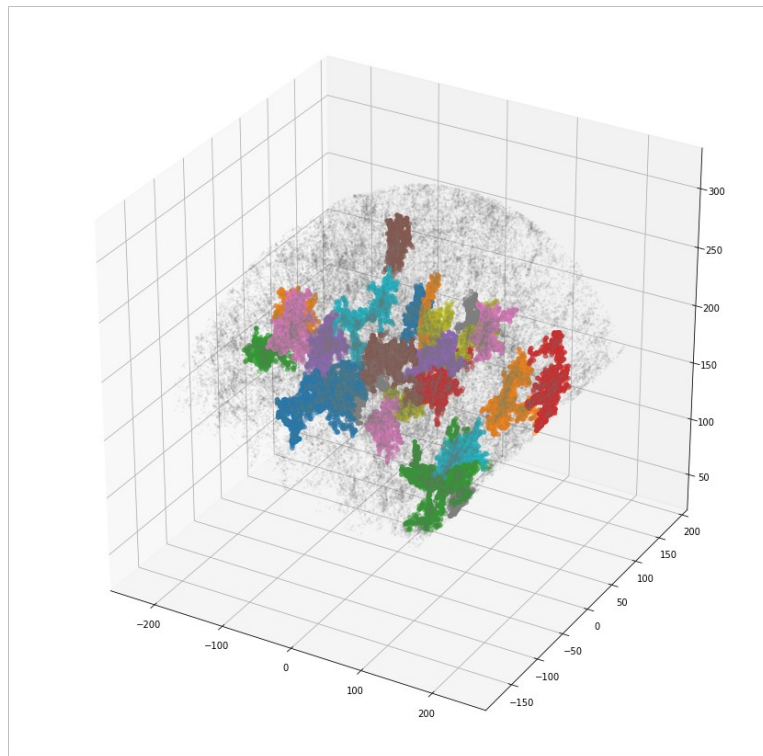

MGS of MGS

MGS of MGS : 30 largest groups or clusters
